The screenshot shows a web browser window with the address bar displaying www.korakonui.school.nz. The browser's address bar also shows several tabs: "My Drive - Google", "Teacher Dashboard", "Smiling Mind", "Into the Book: Teach", "IDOGO", and "Gallipoli: The New Z".

The website's main banner features a large photograph of a school playground with a slide and a sandpit, set against a backdrop of rolling green hills. On the left side of the banner, there is a cartoon illustration of a red owl, a blue parrot, and a white cow. Above the owl is a New Zealand flag with the text "Learning For Life" and "He mātauranga mā te ora".

Below the banner, the school's name "Korakonui School" is prominently displayed in a green banner. To the right of the name is the school's motto: "Small enough to care yet big enough to challenge and inspire". Below the motto, the school's contact information is listed: "Phone: (07) 872 2762 - Fax: (07) 872 2763 - Email: office@korakonui.school.nz - 734 Wharepuhunga Road, RD3, Te Awamutu 3873".

At the bottom left of the page, there is a search bar with the text "Search" and a "Home" button. Below the search bar, the word "Welcome" is visible. On the right side of the page, there is a section titled "Principal's Message" with a "Home > Principal's Message" link above it. The beginning of the message text is visible: "Korakonui School is a Rural Full Primary School catering".

At Korakonui School, we have high but realistic expectations. Our Staff and Board of Trustees are committed to delivering the core business of 'learning'. We work hard to know our learners well and are committed to building the necessary knowledge and competencies for students to thrive and succeed in learning and life. We provide activities for learners that will stimulate, motivate and challenge them. The school's Curriculum is seen as a living document, regularly reviewed and refined for today's changing world. We have shared philosophy towards teaching and learning, which sees us identifying individual learning needs and implementing personalised programmes using a range of programmes, teaching styles and tools such as ipads, chromebooks and laptops. We believe in raising learner confidence and capability. Our committed staff are open, fun and willing to do whatever it takes, to ensure that each learner is stretched and experiences fulfillment in learning. Staff at
