GAME BIRD HUNTING CODE OF CONDUCT

Fish and Game New Zealand actively promotes responsible and ethical hunting practices. As game bird hunters we all have the following responsibilities, as detailed in the Game Bird Hunting Code of Conduct:

HUNT HUMANELY

- Shoot only within the effective range of our firearm and our capabilities, and only when a quick, clean kill is likely
- Retrieve all shot birds promptly and dispatch wounded game birds quickly and humanely
- Respect the resource, value our game birds and eat what we shoot

PROTECT GAME BIRD RESOURCES AND OUR HUNTING TRADITIONS

- Understand and observe all hunting regulations and licensing requirements
- Support game bird management and habitat enhancement activities
- Take no more than our immediate needs
- Share our knowledge and foster ethical attitudes and behaviour in hunting companions and youth

CARE FOR THE ENVIRONMENT

- Remove all rubbish from the hunting area and dispose of offal and carcasses responsibly
- Use non-toxic shot and biodegradable products
- Use established tracks and roads

RESPECT THE RIGHTS OF OTHERS

- Respect private property and always ask for access permission
- Be considerate of non-hunters
- Be aware of our safety and the safety of others when hunting
- Comply with the Arms Act 1983 and always follow the 7 Firearms Safety Rules:
 1. Treat every firearm as loaded
 2. Always point firearms in a safe direction
 3. Chamber a cartridge only when ready to fire
 4. Identify your target beyond all doubt
 5. Check your firing zone
 6. Store and transport firearms and ammunition safely
 7. Avoid both alcohol and drugs when handling firearms

For further guidance about responsible game bird hunting read the full Code of Practice at www.fishandgame.org.nz

STOP THE SPREAD OF AQUATIC PESTS

Protect our waters: **CHECK, CLEAN, DRY.** Check dogs, boots, decoys and boats before you leave the area.

HUNTING LICENCE VALID NATIONWIDE

All game bird hunting licences can be used in all Fish & Game New Zealand regions. Day licences are valid only on or after the second Monday of the new season. It's important to note that if you're hunting in other regions you need to read up on the local regulations in this booklet. Fish & Game New Zealand sports fish and game licences are issued online, are processed electronically and comply with the Electronic Transactions Act 2002. Licences are issued centrally by a person authorised to issue licences on behalf of each Fish and Game council.

GAME BIRD HABITAT STAMP

A game bird habitat stamp must be displayed on every licence to hunt or kill game¹. The purpose of the Habitat Stamp Programme is to raise funds for habitat enhancement. Five dollars (\$5)² of the game licence fee is assigned to the stamp as income for the programme. See towards the back of this booklet for other stamp programme products. If you own or help manage suitable game bird habitat including wetlands, you are welcome to apply for funds raised from the habitat stamp programme. To apply see the Game Bird Habitat Trust website <https://fishandgame.org.nz/environment/protecting/protecting-nz-game-bird-habitats/the-nz-game-bird-habitat-trust> for details. Applications close June 30.

SHOTGUNS AND USE OF NON-TOXIC SHOT

Game bird hunting can only be undertaken with a shotgun of a 10 gauge or smaller (including 12, 16, 20, 28, .410). Mandatory use of non-toxic shot applies to all waterfowl hunting, with very limited exceptions (see 1st Schedule, clause 5 below). The ban on lead shot is not mandatory for upland game (e.g. pheasant and quail) hunting or for other game bird hunting away from waterways. For more information refer below or to www.fishandgame.org.nz

Hunters are encouraged not to use lead shot in .410 shotguns within 200 metres of all waterways and wetlands for the 2023 season. This remains voluntary in 2023 but will become mandatory for the 2024 season across all lands (public and private) whilst hunting gamebirds within 200 metres of all waterways and wetlands.

WILDLIFE ACT 1953

The hunting of game is governed by the provisions of the Wildlife Act 1953. The Minister of Conservation declares an open season for game annually in the New Zealand Gazette (see below). Some important provisions of the Wildlife Act are covered here. The Act and its companion Wildlife Regulations 1955 can be viewed in full online: <http://www.legislation.govt.nz/>

WILDLIFE DECLARED TO BE GAME ³

Hunters are reminded that only the following lists of species are game birds that they are permitted to hunt and kill.

¹ Section 19A(1) of the Wildlife Act 1953

² Section 72(3A)9e) of the Wildlife Act 1953

³ Schedule 1 Wildlife Act 1953

Waterfowl

- Kākīānau/black swan (*Cygnus atratus*) (except on Chatham Islands).
- Duck:
 - Pārera/grey duck (*Anas superciliosa*) and any cross of that species with any other species, variety, or kind of duck (except on Chatham Islands).
 - Rakiraki/Mallard duck (*Anas platyrhynchos*) and any cross of that species with any other species, variety, or kind of duck (except on Chatham Islands).
 - Pūtakitaki/paradise shelduck (*Tadorna variegata*).
 - Kuruwhengi/Australasian shoveler duck (New Zealand shoveler) (*Anas rhynchotis*).
- Pūkeko (*Porphyrio melanotus*) (except on Chatham Islands).

Upland Game

- Chukar (*Alectoris graeca chukar*).
- Red-legged partridge (*Alectoris rufa rufa*).
- Pheasant (any bird not being a domestic bird, of the genus *Phasianus* and any cross of any such bird with any other species, variety, or kind of pheasant).
- Quail:
 - Australian or brown quail (*Synoicus*).
 - Californian quail (*Lophortyx californica*).
 - Virginian or bobwhite quail (*Colinus virginianus*).

RESTRICTIONS ON THE TAKING OF GAME

(S18, Wildlife Act 1953)

No person shall use more than one shotgun or any live decoy.

USE OF LEAD SHOT AMMUNITION OVER WATER

(C15, Open Season for Game Notice)

It is an offence to possess, or hunt waterfowl with 200 metres of open water using lead shot ammunition otherwise than within the exceptions allowed (see use of non-toxic shot above).

LICENCE TO HUNT OR KILL GAME

(S19, Wildlife Act 1953)

It is an offence to hunt or kill game unless the person holds a current game licence, except in some circumstances where that person is a resident occupier as defined in the Wildlife Act.

OCCUPIER OF ANY LAND

(S19(3), Wildlife Act 1953)

“...the occupier of any land, and the spouse or partner and any one son or daughter of the occupier, may, during an open season, hunt or kill on that land without a licence (but subject to all other restrictions imposed by game regulations.” The occupier of the land is normally the owner if she/he personally resides on the land, but this privilege can be transferred to farm manager or sharemilkers by a written statement indicating such to Fish and Game if the owner does not personally reside on the land. Note that the Act allows for hunting by three people; the occupier, his/her wife/husband/civil union partner or de facto partner and one son or daughter on that land - but no other land.

SHOOTING OF GAME NOT IN FLIGHT PROHIBITED

(S22, Wildlife Act 1953)

It is an offence for a person to shoot or attempt to shoot at any game bird not in flight except where a game bird is already wounded by shooting.

OBSTRUCTING RANGERS

(S40, Wildlife Act 1953)

It is an offence to obstruct a ranger. The maximum penalty is 2-years imprisonment and/or \$100,000 fine.

TAKING PROTECTED WILDLIFE

(S63, Wildlife Act 1953)

It is an offence to hunt or kill protected wildlife. The maximum penalties for hunting or killing absolutely protected wildlife is up to two years imprisonment or \$100,000.

GAME HUNTING EXCLUSION AREAS

Closed game areas means a part of a region that is for the time being excluded from the open season in the region, but does not include a wildlife sanctuary or a wildlife refuge or any area in which the shooting or hunting or killing of animals is prohibited under or pursuant to paragraph (j) of subsection (2) of this [Wildlife] Act or any other Act. There is no open season for game birds on property in a closed game area. It remains legal to have a dog or a gun on such land, but not to use them to hunt game birds (which also applies to the landowner). (s2. Wildlife Act 1953). Each closed game area is administered by a Fish and Game Council.

WILDLIFE REFUGES

It is illegal to take a dog or a gun onto Wildlife Refuge land, unless specifically permitted in writing to do so, or to harm or disturb any wildlife including game birds on that land (s14(3) Wildlife Act 1953). Wildlife Refuges are administered by the Department of Conservation.

The remainder of this hunting guide is made up of regional details and hunting conditions contained in the Gazetted Game Notice. These conditions are set out in the:

FIRST SCHEDULE:

Hunting conditions generally common to all Fish and Game regions.

SECOND SCHEDULE:

Regionally specific hunting conditions, including bag limits, closed and open game areas, shooting hours and the like.

FIRST SCHEDULE

This notice revokes all previous Open Season for Game Notices and shall come into force on 7 May 2022.

Hunting conditions generally common to all fish and game regions

1 Bag limits

- 1.1** No person shall take or kill, on any one day, more than the number of game birds specified as the daily bag limit for the Fish and Game Region in which the game is taken.
- 1.2** No person shall possess, on any one day, more than the number of game birds specified as the daily bag limit for the Fish and Game Region in which the game is taken, except on Sunday 7 May 2023, when that person may have in their possession twice the number of game birds specified as the daily bag limit for Saturday 6 May 2023.
- 1.3** A person may possess more game than specified in clause 1(2) of this Schedule, if all such game is labelled with the following details:
 - (a) The name and address of the person by whom the game was taken;
 - (b) The number of the licence to hunt or kill game held by the person by whom the game was taken;
 - (c) The name of the Fish and Game Region by which that licence was issued;

- (d) The name of the Fish and Game Region in which the game was taken; and
- (e) The date on which the game was taken.

2 Waiver of Restrictions on Baiting for Waterfowl

A person may hunt or kill game of the family Anatidae (waterfowl) during the open season for game in all Fish and Game Regions, except Auckland/Waikato Fish and Game Region, where food has been cast, thrown, placed or planted any time during the year. In the Second Schedule, Auckland/Waikato Fish and Game Region, Special Condition ⁴(10), applies to restrictions on baiting.

3 Magazine Shotguns

A person may hunt or kill game birds, as specified, in any Fish and Game Regions with any magazine shotgun of a calibre 10 gauge or less, which includes magazine extensions that comply with the Arms Act 1983,⁵ other than in the:

- (a) Auckland/Waikato Fish and Game Region;
- (b) Eastern Fish and Game Region;
- (c) Hawke's Bay Fish and Game Region;
- (d) Wellington Fish and Game Region;
- (e) Nelson/Marlborough Fish and Game Region;
- (f) West Coast Fish and Game Region.

For these six Regions special conditions in the Second Schedule apply.

4 Shot Size

No person shall use, in any shotgun used for the purposes of hunting and killing game, any cartridge containing any shot size having a larger retained, per-pellet energy at 90 metres than lead BB.

5 Use of Lead Shot Prohibited

- 5.1** No person may possess lead shot, or use lead shot, while hunting or killing waterfowl within 200 metres of open water with any gun, except those using a .410 cartridge. Non-toxic alternative shot must be used, including steel.
- 5.2** For the purposes of this requirement, "waterfowl" means any of the following game species:

⁴ Section 17 of the Wildlife Act 1953.

⁵ Amended notification to section 18(1)(c) (iii) and (v) of the Wildlife Act 1953 as authorised by the Minister of Conservation under section 18(1) of that Act.

- Black swan (*Cygnus atratus*);
- Grey duck (*Anas superciliosa*) and any cross of that species with any other species, variety, or kind of duck;
- Mallard duck (*Anas platyrhynchos*) and any cross of that species with any other species, variety, or kind of duck;
- Paradise shelduck (*Tadorna variegata*) also known as Paradise duck;
- Australasian shoveler duck (New Zealand shoveler) (*Anas rhynchotis*);
- Pūkeko (*Porphyrio porphyrio melanotus*).

5.3 For the purposes of this requirement, “open water” means either:

- (a) any area of land or seabed covered permanently or seasonally by water wider than 3 metres; or
- (b) any area which is temporarily covered by water wider than 3 metres at the time of such possession or use, and that is contiguous to an area referred to in paragraph (3)(a).

6 Camouflaged Rowboats

A person may hunt or kill game within the following Fish and Game Regions, from unmoored camouflaged rowboats, subject to the excluded periods for the regions specified below: ⁶

- **Northland** – no excluded period
- **Auckland/Waikato** – excluding 6 and 7 May 2023 for the whole Auckland/Waikato region and excluding 6 to 8 May and 13 and 14 May 2023 for the Waikato River north of the boat ramp at the confluence of the Mangawara Stream
- **Eastern** – excluding 6 and 7 May 2023
- **Hawke’s Bay** – excluding 6 and 7 May 2023
- **Taranaki** – no excluded period
- **Wellington** – excluding 6 and 7 May 2023
- **Nelson/Marlborough** – no excluded period
- **West Coast** – no excluded period
- **North Canterbury** – excluding 6 and 7 May 2023
- **Central South Island** – excluding 6 and 7 May 2023
- **Otago** – excluding Clutha River 6 to 14 May 2023 inclusive

⁶ Section 18(1)(f)(vi) of the Wildlife Act 1953.

- **Southland** – excluding the Mataura, Aparima, Oreti, Waiau and Waimatuku rivers and their tributaries 6 to 31 May 2023 inclusive and excluding that part of the Oreti River below the Dunn's Road bridge for the whole season.

7 Restriction on Taking of Game

No person shall use any vehicle propelled by mechanical power (including motorised watercraft) to chase or kill game, except in such circumstances and at such times as authorised by the Conservation Act 1987 and Wildlife Act 1953.⁷

8 Pegging Day

- 8.1** Stand claimants who claimed and occupied a stand during the 2022 Game Season may claim that stand at any time prior to pegging day (up to 10.00 a.m. on 2 April 2023) following the purchase of the 2023 game licence. If you are in the Auckland/Waikato Region, then the above mentioned applies **only to Adult Whole Season Licence Holders** and does not apply to Junior Licence Holders as it does in all other Fish and Game Regions.
- 8.2** Otherwise, unclaimed stands can only be claimed any time after 10.00am on 2 April 2023 in all Fish and Game Regions.
- 8.3** A stand may be claimed by planting on it a stake having either a board or identifying label attached, plainly identifying the name of the claimant and the number of his/her licence. The hunting stand claim tag provided with the licence must be completed with the name of the claimant and affixed to the board or identifying label.
- 8.4** The licence holder claiming a stand must be present in person at the stand when marking it up.
- 8.5** No one can claim more than one stand.
- 8.6** A stand cannot be claimed closer than 90 metres to a stand already claimed by another person without that person's consent.
- 8.7** Any stand not occupied by the claimant within one hour after the opening hour of hunting, on any day, can be occupied by another licence holder for the remainder of the day.

9 Conditions

These conditions will expire at the end of the open season for game.

⁷ Section 18(1)(f)(v) of the Wildlife Act 1953.

SECOND SCHEDULE

Regionally specific hunting conditions, bag limits, closed and open game areas, and the like.

California and brown quail	6 May to 27 Aug 2023	10
Cock pheasant	6 May to 27 Aug 2023	5

2 Shooting Hours

6.30am to 6.30pm, except the hunting of paradise shelduck, pūkeko and black swan on 17 February to 25 February 2024 will be from 6.30am to 8.00pm.

3 Decoy Limit

No limit.

4 Special Conditions

- 4.1** No person shall wilfully leave on the hunting ground any game bird(s) shot or parts of any game bird(s) shot.
- 4.2** Camouflaged Rowboats: Persons may hunt or kill game from an unmoored camouflaged rowboat.
- 4.3** During the 17 February to 25 February 2024 special open season, no person shall hunt within 300 metres of any urban sewage oxidation ponds.
- 4.4** Any game bird licence holder who has a Department of Conservation authorisation to take or kill wildlife for the purpose of hawking or falconry may hunt with an Australasian Harrier (*Circus approximans*) to take game birds. This is subject to the season length and bag limit for each game bird species in clause 1 of this notice and any other special conditions for the Northland Fish and Game region and also subject to any conditions imposed by the Director-General of Conservation under such a permit.

HUNTING OPPORTUNITIES IN NORTHLAND

The Northland Fish and Game Region extends north from a line midway to a point between the North Head and South Head of the Kaipara Harbour, then runs due east to a point just north of Wellsford and then a line running northeast to cross the coastline approximately 4.6km north of Te Arai Point.

TAKE A MATE HUNTING

2023 whole season game bird licence holders can take a mate hunting who has not purchased a game bird licence within the last THREE years or has had a previous mate's licence. Hunting for the mate will be permitted on Opening Weekend ONLY for \$5.00 which is the cost of the habitat stamp. Take A Mate Licences must be purchased through the Northland Fish and Game office in Whangarei.

The recipient of the mate's licence must be accompanied by an adult whole season licence holder and it only applies within the Northland Fish and Game region. The mate must comply with the game bird hunting regulations.

There is no better opportunity to introduce your friend, spouse, son or daughter to game bird hunting.

PERMITS

Full details and payment must be provided at the time of issue. A permit is required for each licence holder and is not issued for a party or any group of hunters. Permits are issued for the full length of the open game season (May to August).

Part of the fee for permits issued to Flaxmill Wetlands and Jack Bisset Wetlands permanent stand holders are used as a contribution towards predator control operations within those areas.

Hunters requiring a permit must provide the following details:

- Name, address and phone numbers
- Date of birth
- Game bird licence number
- Firearms licence number
- Vehicle registration
- Dog's name, breed and registration number.

All permits issued to licence holders will be accompanied with a map detailing the areas open to hunting.

Adult licence holders wishing to hunt on Fish & Game properties who are not stand holders can obtain a permit after 15th May 2023 at the casual rate.

Junior and child licence holders wishing to hunt on the Fish & Game properties who are not stand holders can obtain a free permit after 15th May 2023.

<i>Administrator</i>	<i>Place name</i>	<i>Location</i>	<i>Permit fee</i>
NFGC	Jack Bisset Wetland – Stand Holders Fee	Whangarei	\$35.00
	Jack Bisset Wetland – Casual Hunters Fee	Whangarei	\$10.00
	Flaxmill Wetland – Stand Holders Fee	Dargaville	\$35.00
	Flaxmill Wetland – Casual Hunters Fee	Dargaville	\$10.00
	Kawakawa Wetland	Kawakawa	\$10.00
	Borrow Cut Wetland	Kerikeri	\$10.00

DEPARTMENT OF CONSERVATION

Licence holders wishing to hunt on Department of Conservation administered lands must obtain their permit from their local DOC office in Dargaville, Whangarei, Kerikeri or Kaitaia.

TE PAKI FARM

Hunting at Te Paki Farm and Te Werahi Wetlands is now authorised by approval from local Iwi Ngati Kuri. All licence holders MUST contact John Macpherson, Field Officer in Kaitaia on 021 858 423, to obtain the appropriate contact details.

RANGIPUTA LANDCORP FARM

is allowing hunting. Due to the M-Bovis outbreak, hunting will be strictly controlled and inductions will be necessary. Licence holders will need to contact Colin Rakena, the Farm Manager on 0274 350 982 to arrange access. Other hunting opportunities include peacock, turkey and Canada Goose.

FORESTRY PERMITS

To hunt on permitted forestry lands managed and owned by Manulife, Northland Forest Managers Ltd, and Matariki Forests, a permit must be obtained through the office of Northland Fish & Game. The permit is a legal requirement which enables the hunter to enter the forest, carry a firearm and use a dog on those properties.

The cost of the permit for the whole season is \$50.00. This fee covers all processing fees; coloured maps detailing the areas open to hunting plus Public Liability insurance while hunting in any

of these forests. Applications can be made either by emailing or logging onto the Fish & Game website:

<https://fishandgame.org.nz/northland/game-bird-hunting-in-new-zealand/northland-hunting-locations-and-access/>

Email: northland@fishandgame.org.nz

Please note a **Kiwi Aversion Certificate** may be required for hunting dogs in some forest blocks. Please check the permit conditions to see where this rule applies.

Kiwi Aversion Certificates can be obtained through the Department of Conservation office in Whangarei. A register of people trained to train dogs to avoid kiwi is being developed by Kiwis for Kiwi. If you are interested in your dog being trained, please contact your local DOC office or search: <https://www.kiwisforkiwi.org/what-we-do/how-were-saving-kiwi/avoidance-training-for-dogs/trainers-directory/>

TE HIKU FOREST

is a privately owned pine forestry block that extends along the Ninety Mile Beach. The whole season permit fee of \$30 covers all processing fees, colour map and includes a contribution towards a predator control operation for the benefit of game birds.

Permits can be obtained at Hunting & Fishing Kaitaia, Riders Sports Kaitaia and through Northland Fish and Game office.

HUNTING IN AUCKLAND/WAIKATO

Hunting today suffers many threats; wetland drainage, habitat degradation, pollution, the animal rights lobby, ecofundamentalists, paranoia over firearms and worst off all, indifference.

There are groups who safeguard and share your interests. To join a group concerned with game bird hunting and the outdoors, please contact your local user group.

HUNTING ON FISH & GAME AND CROWN LAND

A General Authority (free to all licence holders) is required to hunt on Fish & Game Land – some 1700ha being owned by the Auckland/Waikato Region purchased from hunters' and angler's funds. The Authority can be obtained by sending a request via website under "Hunting locations and access" or sending a stamped, self-addressed envelope to Auckland/Waikato Fish and Game, 156 Brymer Rd, RD 9, Hamilton 3289.

To hunt on Crown land managed by the Department of Conservation (DOC) you require a similar permit (also free) from DOC.

FORESTRY PERMITS

Rayonier Forests: Tairua (Whangamata); Maramarua (Te Kauwhata); Waihou (Te Aroha); and Mahurangi (Warkworth).

Permits for Rayonier Forest blocks can be obtained from our office.

The cost of the permit for the season is \$50 and covers all four forests. This fee is to cover all processing fees, colour maps, as well as a Public Liability Insurance while hunting in any of their forests.

Hunters requiring a permit must provide the following payment details (internet banking) to be completed once confirmed:

- Name, address and phone numbers
- Date of Birth
- Game Bird Licence number
- Firearms Licence number
- Vehicle Registration
- Dog Registration number.

Permits can be filled in via website under "Hunting locations and access", emailed to aucklandwaikato@fishandgame.org.nz or posted to Auckland/Waikato Fish and Game, 156 Brymer Rd, RD 9, Hamilton 3289.

TAKE A MATE HUNTING

FOR ONLY \$4 Do you have a mate, relative, friend, co-worker or know somebody who is keen to give duck hunting a go, but doesn't want to pay the full cost of a licence? If so, on a strictly first come, first served basis, limited to the first 100 hunters who email into the Auckland/Waikato office with their 2023 Game bird Licence number, we will let you take your mate hunting on opening weekend for the \$4 cost of the Habitat Stamp which is displayed on the licence – which as you will recall is used solely to create, protect and restore wetland habitat.

The offer is strictly limited to those people (i.e. the mate) who have not purchased a licence before (and we can check via extensive database records going back over the last decade) – the offer is only for opening weekend – recipients of the mate's licence must be accompanied by a whole season licence holder. The offer only applies to the Auckland/Waikato Fish and Game region and the mate must of course comply with the Game Hunting Regulations. There is no better opportunity to introduce your friend, spouse, son or daughter to game bird hunting.

BLUE DUCK - WHIO, A THREATENED SPECIES.

In parts of the country whio (blue duck) populations are increasing in response to predator control, and birds are being seen from time to time on farmland in the vicinity of forested streams. They commonly do low level flights up and down streams in early morning and evening meaning a quick shooter can easily mistake them in low light. This threatened species is fully protected, and apart from setting conservation efforts back a step, killing one can mean a \$100,000 fine.

Please take care to identify your target beyond all doubt so whio, along with all of our other protected birds, are not mistakenly shot.

2 Definition of Areas

The following descriptions refer to Management Units within the Eastern Region (described on Infomap 242B-2 Land Information New Zealand). The Management Units are defined using both District Council and Eastern Region Fish and Game boundaries.

The coastal boundaries of Management Units A1, B1 and, B2 follow the coastline as per Infomap 242-2.

2.1 Area A1: Tauranga District, Western Bay of Plenty District, that part of the South Waikato District within the Eastern Fish and Game region and east of State Highway 1, Rotorua District, Kawerau District, Whakatane District and Opotiki District.

2.2 Area A2: Those parts of the South Waikato District west of State Highway 1 within the Eastern Fish and Game region, Taupo District and Ruapehu District, which lie within the Eastern Fish and Game region.

2.3 Area B1: Gisborne District.

2.4 Area B2: That part of Wairoa District within the Eastern Fish and Game region.

3 Shooting Hours

6.15am to 6.15pm in all areas for all species during their respective seasons.

4 Decoy Limit

No limit.

5 Special Conditions

5.1 No person may hunt or kill game birds, as specified, within the Eastern region with any magazine shotgun unless the shotgun:

(a) has a magazine of any type adjusted with a one-piece filler which is incapable of removal without disassembling the gun; or

(b) the magazine is pinned in accordance with Regulations made under this Act;

so that the magazine shotgun is incapable of holding more than 2 shells in the magazine, with no more than 3 shells in the magazine and chamber combined, at any one time.

5.2 No maimai shall impede the use of navigable channels in the Tauranga Harbour, Ohiwa Harbour, Little Waihi Estuary, Lake Aniwhenua and Lake Taupo.

5.3 A person who erects a maimai in the Little Waihi Estuary, Lake Aniwhenua, Ohiwa Harbour, Stump and Waihi Bays of Lake Taupo must dismantle and remove it within 2 weeks of the close of the season (ie by 12 September 2023).

- 5.4** Any game bird licence holder who has a Department of Conservation authorisation to take or kill wildlife for the purpose of hawking or falconry may hunt with an Australasian Harrier (*Circus approximans*) to take game birds. This is subject to the season length and bag limit for game birds specified in clause 1 of this notice for this Region and subject to any condition imposed by the Director-General of Conservation under such a permit.
- 5.5** No person shall within the Eastern Fish and Game Region, in or on any public place, or in or on any private land without consent of the land occupier, with intent:
- (a)** deposit any type of litter, including carcasses or parts thereof, of any shot game.
 - (b)** having deposited any type of litter, including carcasses or parts thereof, of any shot game, leaves it after having been deposited.
 - (c)** for the purposes of this regulation litter includes any refuse, animal or game remains, or waste matter or items of any type used in the course of hunting, which is abandoned or intended to be abandoned.
- 5.6** A person must not use a drone to disturb game birds.

6 Hunting From a Boat Under Power

No person may possess a firearm that can be rapidly deployed in or on any unmoored vessel, except (1) where the unmoored vessel is not being propelled at the time by a motorised device, or (2) the firearm is needed to retrieve wounded game. For the purpose of this subclause a firearm is considered unable to be rapidly deployed if it has been dismantled or secured in a case, gunslip or other secure compartment.

HUNTING IN THE EASTERN REGION

We have produced a pamphlet on gamebird hunting in the Eastern Region. Inquire at your local sports shop or the Eastern Fish and Game Office for a copy. Eastern Fish and Game hold annual ballots for hunting sites in wetlands managed by the Council.

Hunters may register for the ballot before the end of the first week of November. All you have to do is phone or write to us with your name, address, and phone number and we will send you a ballot application form before it's held. Hunters from the previous year will automatically be sent an application form.

If you have changed your address, make sure you notify us of the changes. Access information to the reserves can be obtained from

the website <https://fishandgame.org.nz/eastern/game-bird-hunting-in-new-zealand/where-to-hunt-game-birds/>

CASUAL PERMITS TO HUNT IN THE WETLANDS

Casual permits, for non-ballot holders to hunt wetlands administered by Eastern Fish and Game, can be obtained by phoning or writing to the office in Rotorua. Casual permits are available after the first two weeks of the season. This allows successful ballot holders two weeks of undisturbed hunting.

UPLAND GAME HUNTING

Some of New Zealand's best pheasant and quail hunting is found in the Eastern Region. A lot of this hunting is in the production forestry areas of the Bay of Plenty managed by Timberlands Limited. Permits to hunt in the forest are issued by FIRST Security 07 347 0297. <http://www.permit.firstsecurity.co.nz/Pages/ForestryPermit.aspx>

WETLAND CREATION

For information and advice on wetland creation contact the staff at your local Fish & Game offices. Wetlands in the Eastern Region are now rare. In some parts less than 1% of the original wetlands remain.

The Habitat Trust fund is one source of funding for enhancement, purchase or development of wetlands.

If you have a proposal to create or enhance a large area of wetland, we may be able to assist you obtain funding.

4 Special Conditions

- 4.1** No person may hunt or kill game birds, as specified, within the Hawke's Bay region with any magazine extensions on a shotgun of 10 gauge or smaller (including 12, 16, 20, 28, .410).
- 4.2** Magazine shotguns must be restricted in such a way that the shotgun is incapable of holding more than two shells in the magazine, with no more than 3 shells in the magazine and chamber combined at any one time.
- 4.2** Any game bird licence holder who has a Department of Conservation authorisation to take or kill wildlife for the purpose of hawking or falconry may hunt with an Australasian Harrier (*Circus approximans*) to take game birds. HUNTING IN THE HAWKE'S BAY

The Hawke's Bay Fish and Game region is defined by river catchments, extending north to the Mohaka, west to the Ngaruroro, and southwest to encompass the Tukituki systems, with the southern border reaching the Tautane Stream just south of Cape Turnagain.

WATERFOWL

The mallard, grey duck and hybrids are the most popular game birds of the region. These species respond well to calling and decoying and can be found on most of the region's rivers, streams, dams and lakes. Shoveler are a transient population for most of the season and are renowned for their fast flying and elusiveness.

There are extensive hunting opportunities in the riverbeds of the region. Access is good and well-marked with signs.

A little time spent checking out backwaters pre-season can pay dividends during the season.

Paradise shelduck are wide-spread and can be hunted successfully in most locations. Low-lying farmland with water nearby is ideal for hunting using silhouette decoys. If you want to target parries, the pasture lands and riverbeds are a good place to start. Most landowners are only too happy for hunters to target parries on pasture if they are approached and asked first.

The Hawke's Bay region administers a number of Controlled Shooting Areas throughout the region. Periodically vacancies arise, creating a wetland enhancement and shooting opportunity for local shooters. If you want to shoot this season but don't have anywhere to hunt, give our local Fish and Game office a call.

UPLAND GAME

Hawke's Bay hosts a good population of ring-necked pheasant and varying numbers of California quail, with the best results achieved in scrubby river margins and forestry plantations with blocks of young trees. Pheasants are predominantly hunted in our major river systems with the Waipawa, Tukituki, Ngaruroro and Tutaekuri normally well worth a look. The best hunting is generally where good cover and watering opportunities are found (i.e. river basins), especially where these areas border orchards and/or assorted cropping areas. For most of these areas a dog is recommended as an easy way to cover ground effectively.

A COUPLE OF THINGS TO REMEMBER

Access is a privilege not a right so if in doubt, please ask! Landowners frequently have paradise duck and swan problems and often appreciate flocks being dispersed by hunters. Often, they might offer the opportunity to shoot a vacant pond. In any case the personal courteous approach is by far your best bet.

Please do not leave the bodies or parts of shot game on the hunting ground. If carcasses are left in the field, it can encourage unwanted predators as well as ill feeling from other hunters and the non-hunting public. Please make yourself familiar with the Closed Game Areas and Wildlife Refuges scattered throughout Hawke's Bay.

WILDLIFE REFUGES

1. The bed of the Tuki Tuki River between Waimarama Bridge and a line running from the north of the Mangangara Stream to the road at the southwestern corner of Section 9 and 15 in the Te Mata Survey District (8km upstream of the Waimarama Bridge)
2. Lakes Tutira, Orakei, and Waikopiro and certain surrounding land
3. Horseshoe Lake, Elsthorpe
4. The property of R H, J R, and T R Hartree, Puketitiri
5. The Westshore Ponds
6. The spit south of the mouth of the Ngaruroro River
6. Rakautana Forest, Waikoau
7. Pauhanui Bush, Gwavas Station, Tikokino Bay

CLOSED GAME AREAS

1. Waitangi Estuary:
 - a. Downstream of Clive Bridge.
 - b. From 200m above State Highway 2 downstream on Ngaruroro and Tūtaekurī Rivers.
 - c. Horseshoe and New wetland (upstream side of railway between Ngaruroro and Tūtaekurī backwash).
 - d. From Awatoto south along the coast to (but not including) the left bank of the Tukituki River.
 - e. Grange Creek wetland (right bank of the Tukituki River near pathway and bridge).
2. Whakatu from Flowerlands (near pathway) upstream to Whakatu Railway Bridge.
3. Ruahapia from State Highway 2 downstream for 200m.

4. Havelock North from below The Figgery (Napier Rd) upstream to Louisa Stream (Herehere Wetland).
5. Pukahu on the Karamū Stream from 500m below St Georges Road upstream to the Awanui-Irongate confluence.
6. Pekapeka Wetland from carpark downstream to Stock Road.

For further information on these areas within the Hawke's Bay Fish and Game Region where hunting is prohibited see <https://www.hbrc.govt.nz/hawkes-bay/open-spaces/about/>

5.2 No person shall hunt, as specified, within 100m of any urban sewage oxidation pond.

5.3 No person may wilfully leave on the hunting ground any game bird(s) shot or parts of any game birds shot.

5.4 No person may shoot game from a boat on the Whanganui River downstream of Kemps Pole (Kauarapaoa Stream confluence).

5.5 No person may herd or drive waterfowl for the purpose of hunting or killing them.

5.6 Any game bird licence holder who has a Department of Conservation authorisation to take or kill wildlife for the purpose of hawking or falconry may hunt with an Australasian Harrier (*Circus approximans*) to take game birds. This is subject to the season length and bag limit for each game bird species in clause 1 of this notice for this region and subject to any conditions imposed by the Director-General of Conservation under such a permit

HUNTING TARANAKI WATERFOWL

The Taranaki Region has many rivers and streams, coastal dune lakes and ponds that provide good habitat for waterfowl. This translates into consistently good hunting and Taranaki duck hunters are among the most successful in the North Island.

Mallard duck is the predominant game species and in addition to traditional hunting from maimai on ponds and lakes, jump shooting

along streams, rivers, drains and farm oxidation ponds is also productive. Good evening shooting can be had throughout the season on farm dams and wet paddocks, or on recently harvested stubble fields and in paddocks where supplementary feed is being fed to stock.

Paradise shelduck are widespread throughout the region and in particular around the Taranaki ring-plain. Farmers and vegetable growers often welcome hunters harvesting these birds which may otherwise impact on areas of new grass or recovering pasture or crops at other times of the year. To further assist with managing their impact a special season for paradise shelduck will also be held in late February and early March 2024 in Area C (Taranaki) to disperse birds after the moult. All hunters, including land occupiers are required to hold a permit to hunt during a special season. Please contact the Whanganui or New Plymouth offices of Fish & Game NZ in early February 2024 for details.

Similarly, landowners are often supportive of hunting pūkeko from wetlands adjacent to maize growing or other cropping areas, where they can cause damage at planting time. Pūkeko numbers are greatest around the Taranaki ring-plain and south along the coast to Whanganui, and the extended season provides an additional hunting opportunity after the duck season has finished.

UPLAND GAME

Scattered populations of pheasant and California quail are present in the coastal sand country and lowland pine plantations. There are also good pheasant populations, which are often overlooked, in the back country, particularly where there are scrubby rough areas adjacent to streams and rivers. Driving around these areas early or late in the day and particularly in spring is a good way to identify productive spots and make initial approaches regarding access.

ACCESS

Most hunting opportunities are on private farmland and the appropriate permission should be sought. In this region many farmers are receptive to a polite request; just remember to leave the gun and dog behind when you make your first approach. Often farmers are hunters themselves and while access over opening weekend may not be an option there may be opportunities later in the season.

Permits are available through a weekly ballot from the Whanganui office of Fish & Game for upland game hunting in several Whanganui coastal areas, including Harakeke Forest and Nukumarū Recreation Reserve. Contact the Whanganui office for the latest opportunities and how to obtain a permit for these.

HUNTING IN WELLINGTON

Some of the best quality waterfowl hunting in the Wellington Fish and Game region can be found in the public hunting areas. Any game bird licence holder who obtains our Game Bird Hunting Access permit, may hunt the following wetlands after opening weekend for the remainder of the game season, or dates as printed in the permit booklet:

- Wairarapa Moana (Lake Wairarapa)
- Lake Omanu near Foxton (after Kings' Birthday Weekend)
- Makurerua Swamp 25 km south of Palmerston North
- Pukepuke Lagoon 4 km north of Himatangi Beach
- Pheasant and California quail hunting is available in 4 forests and 1 reserve. Waitarere Forest (IFS Forestry); Erindale Forest (Wairarapa Estate Ltd); Santoft Forests (Ernslaw One Ltd).

The Game Bird Hunting Access Permit includes maps and conditions of access and includes a number of areas within the Wellington Fish and Game Region.

1080 WARNING

1080 is highly toxic to dogs. Toxicity can last for several months in the target species. If in doubt and you wish to hunt where 1080 warning signs are erected, check with your Regional Council (Manawatu-Whanganui 0800 800 800; Wellington 0800 496 734) or the land manager.

HUNTING BALLOTS

There are a limited number of balloted hunting stands available each year within some of the named conservation areas. These are advertised in mid-October each year.

World Wetlands Day, held every year on 2 February, marks the date of the adoption of the intergovernmental treaty the Convention on Wetlands. The New Zealand Game Bird Habitat Collection is issued every year on this date; the 2023 issue is the 30th in the series and features the California quail.

The game bird species selected to feature in the Game Bird Habitat Trust's 2023 photo competition was the California quail, with a stunning composition of the bird over a vibrant green background captured by Paula Gillet.

*Native to the United States, California quail (*Callipepla californica*) were introduced to New Zealand as game birds in Papakura in 1862, with later releases in Nelson, Auckland, Wellington, Canterbury and Otago. They spread rapidly, and are now most numerous in the North Island and upper South Island.*

Stamp RRP: \$10.00

Both males and females have distinctive comma-shaped topknots of six feathers projecting forward from the foreheads. Males have black chins and cheeks edged with white, and white 'eyebrows' join on the forehead. The breast is blue-grey and the lower belly cream to rust brown with distinctive black scalloping. Females are a plainer brown and lack the facial markings. Both have patterns of white, cream, and chestnut scales on the belly. The tail is fairly long and square, and they fly on short, broad wings in brief but explosive bursts just long enough to reach cover.

Miniature sheet RRP: \$11.50

California quail spend most of their time on the ground, walking and scratching in search of food. Their preferred habitat is uncultivated open shrubland. They frequent the rough scrubby edges of rivers, inlets, forests, roads and rural gardens. Examples of good quail habitat include bracken, tussock grass, matagouri, gorse, blackberry, tutu and lupin.
