

Korakonui Kickstart

Our Before School Programme

The Korakonui Kickstart programme will occur for the 8 weeks leading up to each child's 5th birthday. These sessions will be run on Friday mornings from 9am -10.15am and will be based in Kahikatea classroom within Mangatutu Hub.

This programme is designed to help the children prepare for school, to allow them to build relationships with the teaching staff, and their fellow foundation students, as well as their older peers within Mangatutu Hub.

If you are interested in your child taking part in this programme, please contact one of the Mangatutu teaching staff who will be able to give additional information.
